Hi Dan

I am starting to set up the next Pend Oreille meeting with the Tribe and Ecology. Before request information on participants' availability I wanted to research how we could respond to Ecology's request for a facilitator for that meeting. This seems like a wise idea.

I have been asking around about resources in R10 and have been told that the best facilitator is Deb Robinson, but the region has disinvested in her as a facilitator, so she is not available. Do you think there is any way around this to get her involved for this meeting? Do you have any recommendations for a region 10 facilitator other than Deb?

I am also going to send a note to John Goodin's group asking if they might be willing to provide funding for an outside facilitator.
